Recognition for Laguna Beach and its Greenbelt

In 2015 the Committee for Preservation of the Laguna Legacy formed, including Temple Hills participants Bob Borthwick, Ron Chilcote, and Verna Rollinger. It agreed that the greenbelt, the legacy of plein air painting, the seascape and bluebelt, and Laguna Beach as a special place all pointed to a need to identify the history and effect of this unique landscape. Its proposal to the National Park Service and documentation to the Library of Congress were recognized and approved.

The committee also organized a beautiful book of history and images that will be available for donations at the meeting. It is dedicated to the generations of devoted people responsible for shaping the City's character and traditions. ♻

Come Join Us!

The Temple Hills Community Association, since our founding in 1972, has worked to improve the quality of life on our streets and in our neighborhoods, to help neighbors get to know one another, to help them interact with the City when property issues and neighborhood concerns arise, and to join together to address the bigger issues that affect us as a community.

Over the years, working together as a community,

- *we've prevented Temple Hills Drive from becoming a major regional thoroughfare joining with major streets in Aliso Viejo,*
- *encouraged the acquisition of hillside open space and the establishment of mini-parks,*
- *worked to facilitate safe pedestrian options,*
- *fought out-of-scale development and subdivisions,*
- *facilitated undergrounding in those areas of the hill where a majority of residents approved,*
- *provided a community voice to the City,*
- *fostered a tradition of great neighborhood parties.*

Are there any problems in your neighborhood? We'd like to know. What are your interests? Would you like to become more involved? There are opportunities on the Steering Committee and the Neighborhood Groups.

Come join with us. 🗳️

What you can do to help THCA

Let us know who your new neighbors are so that we can include them in our mailing. Even though every house should get a newsletter, often it is addressed to the old owner and "resident." We would like to be more friendly by addressing it to the new owner. The City is unable to provide us these records in a timely manner so hearing from you would help us out.

The THCA newsletter is always happy to receive news and photos that might be of interest to the community.

Please contact THCA at laguna.thca@gmail.com. 🗳️
