NOTICE TO REGISTER

Nonprofit organizations which qualify for State tax exemption under Section 23701f of the California Revenue and Taxation Code are required therein to irrevocably dedicate their assets to social welfare, charitable, educational, or public recreational purposes.

Such purposes to benefit the public are all charitable in the legal meaning of that term. Organizations holding assets irrevocably dedicated to such purposes are required to register and file periodic reports with this office (Government Code Sections 12585, 12586).

Since you are organized as described, the following action is required to comply with the registration requirements of the law:

- (1) Complete and return the enclosed Registration Form, CT-1.
✓ (NOTE: Disregard the instruction to Item 5. Instead, indicate the amount of the organization's gross receipts and total assets for the latest completed accounting period.)
- (2) Send us a copy of your Articles of Incorporation, or comparable founding document if not incorporated.

Failure to comply will cause the organization's tax exemption to be disallowed and the assessment of a \$200 minimum tax pursuant to Revenue and Taxation Code Section 23703.

Very truly yours,

EVELLE J. YOUNGER
Attorney General
